SUBMARINE EXPLOSION.

Picture.:-

After a slight mishap by running on rocks off--

--Kintyre, Submarine L.26 made for Campbeltown. Shortly after safe--

--arrival, an explosion occurred. How, or why, no-one can yet say. But two men were killed outright, and nineteen injured.

A plane was rushed to Campbeltown to fly the--

--danger-list cases to Glasgow. There, at the Western Infirmary, they will have the help--

--of eminent medical men and the most modern hospital equipment.

(PARAGRAPH).

Meanwhile the whole country, from the King to his--

--humblest subject offers its sympathy to those bereaved by the calamity.
