NEWS IN BRIEF.

(1). Picture:- Frederick Ramshaw and Clarence Gardener are 'hot' up with--

--adventure spirit. They propose paddling to India in that collapsible rubber boat.

Australia is a bit too far. The scheme gives me a sinking feeling. I hope they won't catch it!

(2). Picture:- Edward Rule--

--slices off his grandpa's corn.

Knocks 'em off quicker than a quarter bloke--

--loses stores. Even a bad lie comes easy. To duff golfers he's just a bad dream! Can't be true.

(3). Picture. And another thing! Who abandoned this--

--parcel? It was found in a London street. A baby boy three--

--weeks old, and no mother to guide him. Now he's in the North--

--Middlesex Hospital. Poor baby! Perhaps, poor mother, too!
