APPALLING AIR DISASTER

Picture.:-

Rearing through the night a thousand feet upon on--
--its way from Newark to Chicago, a huge transport--
--plane exploded and crashed to the earth in flames.

All its crew, and several passengers, were instantly
killed.

The machine was the latest design all-
--metal body, and up to the moment no cause for--
--the explosion has been discovered. It is--
--one of the worst disasters in the history of American
air-lines.
