THE CAMBRIDGESHIRE

What a crowd...what a day....and what an event ----

-----The crowd is considerable, the rainfall is more considerable and the money invested is ridiculous. LIMELIGHT, the king's---

---horse, carries bags of gold for Kings men, together with TOTAIG, OLD KING SOLE, and twenty-five-- --

---others, just lining up under the starters orders. COTTONEASHER well backed, looks ----

----wonderful. Three minutes will decide the---bowt between-----

---sweepstake thirty thousand or a measly six hundred pounds for ten shi lings investment. They're off--- watched by their majesties the King and----

----Queen, and the Prince of Wales. LIMELIGHT is not doing too well --Childs is flourishing his whip. OLD KING SOLE is in the front line, RAYMOND is amongst the advance guard, COTTONEASTER is -- I dont know where -- nowhere, I think. YOUNG NATIVE, with Gordon Richards -----

-----up is running as fast as he can - not very fast either - but its RAYMOND which wins-- or DENBIGH. The field is so spread; LIMELIGHT is third I think. No, wait a minute, its RAYMOND--DENBIGH and STALKY.... LIMELIGHT-----

----- is fourth. Bravo RAYMOND-- Confound you.....I'm ruined for weeks to come.
