GOOLE'S GREAT DAY.

Picture.:- Before receiving a real royal Prince of the Realm,--

--Goole crowns a queen. One of its own creating. The Carnival Queen ! I guess a lot--

--of local gallants are willing to submit to her domination.

After pretence comes reality. Thousands of children and grown-ups--

--cheer His Royal Highness Prince George. He inspects the guard of honour - - men of--

--The King's Own Yorkshire Light Infantry before presenting the--

--Charter of Incorporation which elevates an Urban District to the dignity of--

--a Municipal Borough. Gold caused the ceremony to be curtailed, but--

--what matters is that Goole is a Borough.
