AMERICAN AEROPLANE CARRIER.
"SARATOGA".

Picture.:-

America's aeroplane carrier "Saratoga" tries out its--
--new flying torpedo craft. Giant--
--planes carrying two-thousand pound torpedoes. EFFECT.

(EFFECT)
(EFFECT)

There goes a torpedo launched at --
--a hostile ship miles away. These destructive steel--
--fish move under their own power at--
--35 miles an hour.

(EFFECT)

Another is launched, and speeds straight as an
arrow--

--towards its mark. (EFFECT)
(EFFECT)

Harderously marvellous !
