Picture.

The world's biggest camera is at the Admiralty. It reproduces--

--charts large enough to cover - - oh ! - - very large anyway. It's--

--photographic plates are not plates. They're dishes, and--

--it's exposures give greater detail than a Hollywood scandal reporter.

Picture. :-

The Parish of St. Dunstan-in-the East--

--has become famous. It now has London's only woman--

--registrar and clerk. That's unique ! It also has the oldest register saved from--

--the Great Fire of London. That's historic !

To be married here, one has to ask a woman ! That's ordinary !

Picture. :-

Brethren greet in--

--due and ancient form His Royal Highness the Prince--

--of Wales on his visit to the Lodge of Edinburgh Number One, the oldest in Scottish Masonic history, of which ancient lodge he is to be an affiliated brother.
