Here is the first move towards the great noisy sporting climax of the football--

--Cup Final, and there's the end of the Dirt Track,--

--the usual end - - remains put in a box and carried away--

--as dust. The burnt-out cinders are replaced with something--

--alive and growing. There must be nothing dead--

--about the Cup Final. Thousands of grass turves to make a carpet--

--fit for Cup Final heroes--

--to play on. If care was not taken with this job--

--Alec James might find himself scoring a goal--

--with a divot ! The over-grown garden roller, plus three men and a boy, leisurely carries out this pressing job !
