WOMEN JOCKEYS.

Picture.:- The Hague is famous, not only for its--  
--Peace Treaties. Take a look--  
--at the girl jockeys, and you will see another reason !  
This is--  
--Holland's first ladies' race meeting--  
--event, and the men are very interested. When a--  
--girl starts riding for a--  
--fall, you bet some man is interested. But nothing  
happens, except a very good race. Miss I.Roderwald  
pulls ahead in a fine spurt, wins, and makes a new  
entry in Dutch sporting records. A ladies' racing--  
--club is to be formed, and Miss Roderwald will be--  
--first member with a win to her credit.

She should be often placed as favourite.
