INTIMATE GARMENTS

Picture: In the absence of our female fashion expert,  
I am left with a rather delicate--

--task. Anyway, here goes, and--

--if I do make a bloomer, it can't be helped. Of course,  
its showing a good deal of temerity on my part--

--but you understand I'm merely--

--here understudying -- er -- as it were. Dresses  
in cellophane show -- er -- quite clearly the set--

--of the under-garment under the over-garment quite clearly.  
The aim of the Parisienne--

-- er -- fitter -- er -- corsetiere is sveltness.  
This is an excellent although transparent attempt to  
demonstrate the two-way stretch, whatever that may mean ---  
please correct me--

--if I'm wrong. The time is now eleven fortyfive and a half  
and Petite Parisienne is closing down.
