

IN SEARCH OF ADVENTURE.

Picture.:-

If there is anyone who says the old--
--adventure spirit is dead, let them stop, look and listen,--
to this ! The schooner "Mynonie R. Kirby"--
--starts to-day for a five-years trip to the--
--more unknown and, in spots uncharted,--
--islands of the South Seas. Each member of the crew--
--of ten has subscribed towards the cost--
--of the adventure. Hunting and filming are the--
--main object of the expedition. Here's to good
hunting and filming, and a safe return !
