(1) Picture.:- This story proves that whales should not be let out alone !

This one went so far--  
--wrong that he tried to--  
--swim on to the promenade at Hunstanton. A feat no self--  
--respecting whale ought to attempt. The net result is--  
--ten tons of dead fish high and nearly dry. Now it's--  
--got to be removed before it gets any higher !

---

(2). Picture.:- A little fellow with a--  
--big hobby. While other--  
--kids still play with a Noah's Ark,--  
--this youngster tames--  
--real lions. His cage full of man-eating--  
--pets age from--  
--six months to--  
--two years. Right through the hoop !

A One-boy circus menagerie ! What a kid ! Nine years old !

Hats off to you, laddie !

---

(3). Picture.A couple of weeks ago this schooner--  
--sailed from England for the South Seas on a filming expedition. A week later bad weather--  
--hit her good and hard. Took her masts--  
--overboard and sank her. Nobody was harmed, so they had some luck!
