LEN HARVEY.

Picture.

This is Len Harvey, not running to, or running from Jack--

--Petersen, but running upside down this time !  
(to prepare for the heavy weight championship bout)

And here's the smile - - smile please ! - - that Petersen valiantly tried--

--to remove, but the morning after the fight Len's smile is broader than ever. In fact the--

--whole - - er - - family is smiling. Mrs. Harvey smiles, because--

--her husband is - - well - - Len Harvey. The kiddie smiles--

--because his father is - - Len Harvey - - and Daddie smiles, because he's Len Harvey. What better reason ?
