A HOLLYWOOD NIGHT.

Picture.:-

If anyone wants a new idea for a Christmas party,
here it is !

Make your own Hollywood, and live, love and let--
--go for one night only. At Comberbach, Cheshire--
--the lads and lassies have become shooting stars. No
prize is--
--offered for the correct solution. You might be right.

This is Pansy - - er, - - sorry ! But a flower by
any other name would tweetas sweet.

Yes, I heard you. You're right ! It is.

You little so-and-so ! Very nice !

No Hollywood, imitation, or real, is complete--
--without Peek-a-be- skirts, and fields of waving--
--legs. All those in favour ?

Carried non-com pro bone and blotto.
