(1). FATAL TRAM SMASH.

Picture. :- The driver of this Liverpool tram was--
--suddenly horrified to find that his brakes--
--would not stop him. The huge vehicle gathered speed
down a hill, left the rails--
--crashed into a wall, and turned over.

Three unfortunate people were killed by this run-
away monster, and many injured. A sad day for
Liverpool.

(2). PERAMBULATING GANDER.

Picture. :- Meet Willy, the famous goosey-goosey-gander,--
--fitted with special hiking--
--how-de-you-de's. He goes for long walks with his
master, following him--
--through crowded streets and across busy roads. In fact,
like--
--a lot of us ordinary folk, he's not such a goose as he
looks.
