PLOUGHING CHAMPIONSHIP.
MATCH AT KIRKNEWTON.
-Scotland-

Picture.:-

Farmers do a lot of grumbling, but thank goodness they--

--also do a lot of ploughing. The Midlothian Association holds--

--its annual ploughing competition. This is the youngest competitor.

The bait for these ploughmen to work on their afternoon off is a cup and medal presented by the Highland--

--Society, and to this end - - winning the cup--

--and medal, I mean - - Scottish ploughmen cut the--

--straight and long furrow. The best dressed horses come from St.Curbert's Farm, and the ploughing--

--prize is won by James Lament of Easteraigs, Corstorphine.
