

IN THE LIONS' DEN.

UNIVERSAL CAMERAMAN'S EXPERIENCE.
INTRODUCING NERO AND LENA.

Picture:- Outside the cage of some very fine cats, as the show--

--people call them. Pat Collins, circus proprietor, gave us permission--

--to film these beasts just how we liked "Inside the--

--cage if you like" he said. "They're not very--

--hungry now. And, believe it or not, inside the cage went UNIVERSAL'S cameraman.

And his name is not Daniel, either ! Nero uttered--

--a few bright little remarks, while Lena, his wife, gave her opinion of--

--her husband. (EFFECTS).

Nero heard it, and won't stand for it ! It's a private fight, and Captain Tom Hayes, the trainer, feels better out of it. My hat ! Where's the cameraman ?
