NEWS IN BRIEF.

(1).

Picture. L- Representatives of Indian tribes of Mexico visit Oaxaca to honour the Mexican President--

--Abelardo Rodriguez, and his wife.

The Indians bring gifts - - very nice--

--Indians, too, some of them.

The fete is called "Wella-Wetza",--

--meaning gifts and presents, and--

--from information received, it gets--

--very "Wella-Wetza"--

--towards the end of the evening. Indian ritual--

--dances are performed, which demonstrate Indian--

--loyalty to the Mexican Government and the President.

(2).

Picture. :- One of the water supply pipes, connecting the--

--two lakes in Alsace, burst, with shocking results. The immense--

--torrent of water gushed out sweeping away everything--

--in its path and completely--

--destroying a huge electric power station. Two engineers and seven--

--workmen who were surprised at their underground posts were trapped and drowned.
