Two hundred and fifty thousand are here to see West Ham----

----play Bradford City. Both the teams are out now-----

downward. AND STUCK IN THE MUD. Thats better-----

---West Ham wins and Watson kicks off. Slight favourable breeze
for the home team but---

----not much. Bradford attacks and nearly scores. Rutherford
clears. Bradford is still forcing, but Caleroft gets the ball
away. Walker ge puts a long range pass over to Tippett; he
centres and Goulden scores. And---

----aren't the West Ham supporters pleased.-----

-----They're off again; Hallows centres with difficulty, but
his effort just peters out with no result. -----

-----the Hammers are picking up----

---- Morton passes; Ruffle centres to Watson, and Watson
scores beautifully. Two in the box for West Ham. ----

----The Crowd is shouting itself hoarse-----

-----Some centre field play; Bradford's combination work is
excellent, but West Ham has put out a very strong team ----

----Bradford is away; some lovely football; and Hallows
scores. The final result was West Ham 3, Bradford 2.
