

SALMON FISHING.  
SEASON OPENS AT KEMMORE.  
TIME HONOURED CEREMONY.

Picture.:-

After a long holiday salmon fishing rods are overhauled--

--for the first outing of the Loch Tay salmon fishing season.

Over the old brig at Kemmore the fishers pass in solemn procession to the Loch side. Salmon--

--fishing is a serious business, and must be treated--

--with respect. He hates to break that bottle and spill--

--anything. Old Ben, the oldest boatman, toasts the fishers'--

--success. Filled with cheerful optimism and spirituous warmth, they--

--push off with rods rampant and start trying to--

--deceive the poor innocent salmon, and that's not so easy!

Oh! A bite! Who said the Loch Ness monster was dead? But--

--the fish he caught, come last Michaelmas, was twice that size. Youm'salmon-flyer'.
