**YEAR OF JUSTICE.**

**HIGH COURT OF APPEAL ASSEMBLES.  
"MAJESTY OF THE LAW" IN ROME.**

Italy inaugurates its judicial year at the wonderful--

--ornate Palace of Justice. In fact, it does more than that. It inaugurates a new system of judicial procedure. In past days,--

--a Court of Appeal was held in various--

--parts of the country. Now the government has centred it in Rome, where it will serve for the--

--whole of Italy. Well, let's hope that centralization will be the sincerest form of justice.
