

NEWS IN BRIEF.

(1). Picture:- "Basketeers" of the gentler kind leave London for Jamaica. Kathleen--

--Stammers, Freda Jones, Mary Healey, and Dorothy Round. Miss Round is captain--

--of the team. They will play in the Island championship. If happy temperaments--

--will do it, they should win easily.

(2). Picture:- The tragedy of the murder of--

--Mr. and Mrs. Lindberg's baby is recalled by the--

--arrest of a well-known New York gangster. The American police still hope--

--to obtain information even at this--

--late date of the murder--

--of the Lindberg baby. The gangster has already--

--admitted two kidnappings, but still denies touching the baby.

(3). Picture:- This fire warmed up Liverpool in the midnight hours. Something--

--caused paint-drum to explode and in a few--

--minutes flames were leaping up in tongues over 200-feet high.

A paint-works makes a very spectacular bonfire. Almost next--

--door to the blaze is the Liverpool Fever Hospital.

Patients and staff were hurriedly evacuated. Several firemen--

--were injured by the falling glass, but no lives were lost.
