

NEWS IN BRIEF.

- (1). Picture.:- Most libraries issue a lot of books which never come--
--back, but all the books of this Manchester library are never
coming back. They're turning over a new--
--leaf and starting life afresh in a beautiful new home.
-

- (2). Picture.:- Judges' Sunday. Frier to the opening of Chester
Assizes on the morrow, Justice Atkinson, in full robes, attends
Divine Service at Chester Cathedral.

This traditional service is also attended by the city
civic officials, and prayers are spoken invoking--

--divine guidance in the administration of justice.

- (3). Picture.:- To put bootleggers out of business the State of--

--Pennsylvania is offering whiskey at--

--a dollar a bottle, and it's selling like--

--whiskey at a dollar a bottle. Wait a minute, you !
Where's your money ?

It's the most successful bargain-sale on record. It
beats--

--the white sales, and tastes better.

Happy days are here again.

- (4). Picture.:- Every Mitford farmer and his wife has to be
a wire-walker. At --

--flood periods this is the only--

--direct way to their market-town of Morpeth. Mind the
step, and don't slip on the slope.

Imitation of a crab in a hurry. One over the nine
makes the odds ten-to-one against getting home at all.
