BIG FIGHT PREPARATIONS.

**BRITISH EMPIRE TITLE AT STAKE.
CORBETT AND KING IN TRAINING.**

-London and Liverpool-

Picture.:-

Johnny King, of Manchester, has made a date. The way he--

--trains for it shows that it's going to be no 'petting party'. Every stroke brings him one--

--moment nearer to Dick Corbett and his fight for--

--two Lonsdale belts. One isn't enough. Now he's knocking blocks off.

Dick Corbett, who wants to take the Empire championship title from King trains by digging a--

--grave (that's what it looks like). If so, he's evidently set on putting somebody--

--to sleep. It will be the first fight for two championship belts.

Corbett thinks they will fit him best. King doesn't !
