NAUTICAL COOKS LEARN THE ART.
CHEF AS INSTRUCTOR.

-London-

Picture.:- These chef looking fellows are learning nautical cookery. The--

--whacking up a pancake mixture--

--is in progress. We shall soon know--

--the dreadful difference, if any, between a dryland--

--pancake and the deep-sea variety. Well, that's how--

--to do it. Oh ! He's caught it, too (

This highly technical drill--

--is in preparation for--

--Shrove Tuesday. Everybody is so successful at the gossing that the difference between nautical pancakes, and the sort mother makes, must be that these made by the Bulldog--

--Breed are tougher, but, by jove, they're eating them, too. That proves--

--either a good pancake, or a fool-proof digestion. Stick it, Jack !
