The Reverend Mr. Float of High Wycombe, the man who has--
--just had a happy idea. He invited all--
--the happy married couples of his parish to--
--a special service. The Mayor and Mayoress went. Whether as--
--officials, or a happy couple I do not know. Both I--
--hope ! Over four-hundred smiling pairs arrived to the ringing of--
--wedding bells. Mr. and Mrs. Howland - - 36-years married.
Mr. and Mrs. Woodward, 23-years married. A notable--
--absentee was the Reverend Mr. Float's own wife. She was not there. The Reverend gentleman with the happy idea is a bachelor.
