NEWS IN BRIEF.

(4).

Picture. :- This is the story of Greta the--

--Guillemot. She was thrown up at Whitley Bay, thoroughly--

--well oiled, exhausted, and incapable of movement. Told--

-go go back to mother, she refused. Who's being rough ?
The Fire--

--Brigade gave her first aid, and a bath--

--and she liked it, which no lady didn't ought.

Sounds as though she's lost doesn't it ? But really
she's saved.
