~~THIS IS WHAT~~ This is what a military pipe-band looked -  
like in the bad old days. The City of - London Cadet Brigade  
rehearses for their Torchlight Tattoo. These were the days  
when soldiers could be called - - pikers without insult.  
Pikemen were dangerous fellows.

"Sam, Sam pick eop thy pike!" The CCommander kicks the clumsy  
one in the excitement. That officer is no gentleman, but what -  
--- would you Oddsbodykins, and Bah goom!

But that's slow stuff! Let's have some - - - action . Don't  
hang about like a gongonzola smell. Get going boys! Roll up  
and do your stuff! This is an advance view of what the - -  
Duke and Duchess of York are going to witness when they visit  
the Tattoo - - in a few day's time. it's going to be a - - - great  
show, and we wish the boys of the young brigade all the luck.
