Let's take the most important point first ! Ladies--
--are wearing shorts on the Badminton courts. Miss Child in--
--the All-England Championships is partnered by--
--K.L. Wilson, and opposed by--
--Miss Kingsbury and H.E. Baldwin. And don't the feathers
fly ? The mixed doubles play commands--
--a lot of admiration. The flying shuttlecock moves almost
faster than the eye can follow it. Coming back to important
matters, let us talk of--
--shorts again. Recently the Prince of Wales delivered
himself thus "I don't--
--think they (meaning the women) lose anything in looks.

After that Royal expression of opinion shorts should
be popular.

Skirting round a badminton commentary in this
fashion gives me a 'shorts' out to the finish.
