"COMING EVENTS".

(1). Picture.:)

After being three years late, the new Mersey--  
 --Tunnel will positively be opened, D.V., W.P.,--  
 --on July 17th. His Majesty The King has consented to  
 inaugurate it. The huge--  
 --excavation runs beneath the Mersey River, and the  
 completed job--  
 --will be one of the greatest engineering efforts--  
 --in the whole world. It's the largest road ever  
 built under a river.

Wembley Stadium ! On April 28th two footer teams  
 will kick off for the Cup. A--

--hundred-thousand people will watch them.

Hello ! Someone has left his hymn book.

Some people will wait for ages to get in. This is  
 Britain's most patient football 'fan'. He's got over a  
 month to go yet. But perhaps he's a Manchester City  
 supporter left over from last year,--

--still trying to work out why his team lost.
