

F. A. CUP SEMI-FINAL.

ASTON VILLA V MANCHESTER CITY.  
STIRRING STRUGGLE FOR WEMBLEY.  
-Huddersfield-

---

The kick off of the North Country Cup Tie semi final. Manchester

---- square six, wins this match ~~by~~ against Aston Villa by six goals to one. There is one of the six just gone into the net.

---- Aston Villa fights back gamely, but Manchester City's formation is sound and the Villa find it difficult to break it up. Toseland Tilson and

----- and Herd between them make up the half-time score to four - none. Morton did wazz gallant work keeping

---- the score against Villa as low as it was. Throw in for Manchester, a spell of pretty passing, and the City is away up the field again to a corner. The grass gets badly worn on

---Villa's half, and another goal is soon put down against them.

-----EFFECTS.

-----This game makes a North and South Cup Final a certainty. Manchester will positively appear at Wembley.
