MOST CHARMING MANNEQUIN.

ELECTION IN PARIS.  
BEAUTIES OF FRANCE.

---

Picture.:-

A competition to discover the most beautiful mannequin--

--In Paris. All is not cold that glitters. This is a--

--chance for ladies to inspect the--

--latest Paris dresses and choose--

--what they would like to buy with their husband's --

--overdraft. How do you like those - er - shoulder things. The back view is rather - - don't you think ?

No whispering you fellows. It's--

--bad form. These girls are the short leet from all Paris.

Some poor bird has supplied these feathers, and another--

--poor bird will be plucked to pay--

--for them. Black net, suggesting more entanglements. But--

--the girl filling it is--

--selected as the most beautiful mannequin. Mademoiselle Mado Genty. All those in favour of the motion - - (Cheers)  
Unanimously adopted !
