

NEWS IN BRIEF.

(1). Picture.:- A landslide has just caused a terrible accident in Savoy.

Weakened by incessant rain, a hill by the side--
--of a road gave way, burying two houses. A man and a woman surprised by--
--the landslide were not able--
--to get away in time. An effort is being made to find their bodies.

(2). Picture.:- A heavily laden lorry smashes a bridge at Durham. The vehicle --

--got out of control on a--
--steep incline, hurtled down the road to the bridge, demolished the parapet, and went through--
--just like that. And not a soul was injured.

(3) Picture.:- Down Texas way ! For the first time--

--and possibly the last, a 'mother-s-in-law day has been celebrated. It is a protest--
--against mother-in-law--
--jokes. Mother-in-laws are no joke. There's weighty evidence--
--to the contrary. Mother-in-laws--
--don't wreck young homes. If--
--they did, where could they--
--park themselves ? Neither are they dull ! Who would object to this sprightly one dancing about the house. I would.
