MINIATURE T.T.

RACING.

THRILLS AT THE CRYSTAL PALACE.
"ALL OUT" ON THE ROADS.

-Sydenham-

Picture.:- The Crystal Palace ! The line-up for the first batch to move off--

--on the miniature T.T. Track. Over sixty solo--

--motor-cycles and side car combinations have entered. It's a very sporting course, and some well--

--known track riders are taking a chance of biting the dust. There goes the second lot, and--

--now the fun starts. (EFFECTS).

It's no use trying to speed round a corner like this. A coursing hare--

--might do it, but a motor-cycle - - not - - er - likely. (EFFECTS).

(EFFECTS).

A big crowd waits for the side-car--

--racing event. It's thrilling to see the side-car occupant lean over, or climb out, to adjust--

--the balance. There's always a chance of his doing a--

--somersault, and livening up the proceedings with a little drama. But to-day nobody seems to oblige. Here's one--

--coming with his kettle on the boil. Must be tea time !

I would tell you the names of the winning machines if it--

--wasn't advertising, but you don't care who wins anyway, do you ?
