POINT-TO-POINT-MEETING.

MEN AND LADY HOCKEYS.
STEEPLECHASING FOR HUNTING FOLK.

-Near Bury-

Picture.:-

There was snow here this morning. It looked as if the HOLCOMBE HUNT Steeplechases would--

--be off, but racing as usual was helped--

--by the warm sun. Over seventy-thousand people, chiefly mill workers, are watching these Point-to-Point Chases.

For the first time here there is a ladies' race, and--

--for the last time of asking, why not ? The most sporting--

--of them make wonderful chasers, so I am told. They take their fences with feminine finesse, but Lady Ursula Filmer-Sankei loses her seat after--

--leading the field. (Lady Ursula is the Duke of Westminster's daughter). Congratulations--

--to the winner, Mrs. Chambers, and here's wishing the losing ladies better luck next time.
