--star green with envy. Youngsters of--
--the London Elementary Schools--
--bowl at the--
--great Hobbs. What a --
--broadcast for the future. "When I----
--bowled Hobbs !" (Of course--
--they won't say out). What a --
--thrill to start--
--the cricket season. "And Hobbs said to me".

Picture. :- If you want to know the time in Budapest, you--
--don't ask a policeman, you--
--get it direct from the heavens. When the noon--
--signal gun is fired, every watch--
--is adjusted, and every workman knocks off. Tools are
dropped as if--
--they are red hot.

Housewives and that gun--

--won't wait for no man, and luncheontime is 12.

Picture. :- Has anybody seen the spring ? About a month ago--
--it was supposed to lightly turn a young man's fancy to--
--thoughts of love, but the weather is still a--
--bit cold for soo-ing. There are plenty of 'she's'--
--about, but not the sort which need--
--skirts. Northern roads have been blocked. Weekend--
--holidays have been chilly affairs for spring.

Still if winter comes, spring can't be far behind.
