HOOK TIDE AT HUNGERFORD.

ORANGES FOR KISSES.
TUTTUMEN'S PRIVILEGE.

-Berkshire-

Picture.:-

Here is one of the reasons why people live in--
--Hungerford. To-day is Hook-Tide. Now you are--
--as wise as I am. Hook-tide demands that two--
--Tutti men tour the town, and that every house they--
--visit they must be given a drink and a kiss,--
--or a kiss and a drink, according to taste.

It's either the first kiss, or the scourest, she's had.

The house of the local Carnival--

--Queen of Beauty gets attention. So does the Queen
herself. (That's no film kiss). Still he--

--takes a second helping. Orrangesare--

--given to each kissed girl, and to the amused kids. One
orange--

--one kiss is the rule. No wonder Hungerford is popular.
