THE CIRCUS IS HERE

STARS OF THE SAW-DUST RING.
PREPARE FOR SEASON'S FIRST PERFORMANCE.

-Chelmsford-

Picture. :-

Spring has come ! The circus is on the road.

Animals are being shod, harness is being polished, and--

--the clowns are getting repainted and redecorated through-
out. A circus without a clown--

--would be a serious matter. And for telling a tall--

--story you can't beat these girls. If it's a leg show
the public--

--want, they have got a long programme to look at.

Ladies are all treasures, but--

--these are pure gold, and enough to start another gold
rush.

The elephants walk in two by two,--

--and that's the end of their act.

The big top will soon resound to the joyful noise of
small kiddies and grown--

--up kiddies. Poor father will have to find the admission
money, somehow. The circus comes--

--but once a year, and the laughing clowns - - er - - the
laughing - - I said, laugh, you clown.
