SOPWITH'S "ENDEAVOUR".

AMERICA'S CUP CHALLENGER.  
LAUNCHED AT GOSPORT.

-Hampshire-

---

Picture.:-

Gosport people assemble in their thousands to see the launch of thirty-thousand pounds worth--

--of yacht. With it Mr. Sopwith hopes to--

--win the America Cup. There are Mr. and Mrs. Sopwith arriving.

In the famous race next September the yacht--

--will be sailed by the owner himself. A great crowd give evidence of the--

--respect Britain always has for a good sportsman. The--

--vessel is the fifteenth challenger. Mrs. Sopwith--

--says (I wish you a cupful of luck<sup>\*\*\*</sup>), and smash goes the too nice bottle of wine. (EFFECTS).

(EFFECTS OVER LAUNCH.)

The yacht's name is 'ENDEAVOUR',--

--and she carries strong hopes of regaining the trophy for Britain.

We wish Mr. Sopwith luck in his 'ENDEAVOUR'.
