TROTSKY AT BARBIZON.

FORMER BOLSHEVIK LEADER.  
FRENCH PEOPLE PERTURBED.

-France-

Picture.:-

Leon Trotsky has left France. The French Government has shown him the door, as it were ! Ker--

--Monique, his late residence is vacant, and I doubt if anyone need bother about the notice 'Beware of the Dog'. The dog has gone also.

The bone of contention is this.

The French allege that the Bolshevik has failed to keep his promise to be politically neutral. Motor-cyclists were his means of communicating with the outside world. He's--

--without a home, or a country. Nobody wants Trotsky.
