" ON THE SPREE "

ROWING SEASON OPENS.
PARADE OF 1000 BOATS.

-Germany-

Picture.:-

Berlin on the Spree ! The river Spree, I mean !
This is the--

--parade of one-thousand boats. I haven't counted--

--them, but that's what the 'Berliner Tageblatt Zeitung'
said, and who would--

--quarrel with a name like that ? Anyway, all the
adjacent--

--rowing clubs of the Spree have launched out into
combined action.

(MUSIC).

Now we know that rumour speaks truly. Germany
is developing arms. And there is the evidence.
