SKI-ERS "WARM UP".

---

Picture.

Now let's consider skis for a change. In fact, it was a --

--change of weather which gave us this picture.

These performers are the first out this season, no, not in England, but in--

--Yugspitzplatt.

That's not a sneeze. It's the name of a place in Germany. Very soon all the--

--hotels in the higher altitudes will be filling with--

--real jumpers. Professional ski-ers I mean, from all--

--over the world to compete--

--in the International Ice and Snow Sports. First-aid posts will be set up to cope with 'those in peril on the 'skis'.
