Picture:- With the coming of winter, it's time to polish up your skates, and your skating. Study this exhibition from where you are at present sitting, and it may stop you from studying skating from a sitting position on cold ice later on. Girls take the lesson to--

--heart, and that's a good--

--place to take it. After watching this man, fine skater as he is,--

--no-one will mind giving the palm for beauty and grace to the girls. Yes, she's too nice a thing to throw away. Skating is wonderful exercise ! Fine for slimming!

Maybe that's why these legs are doing it. Let the great big--

--girl keep turning. Well, now you know how to skate, there's no harm--

--in a little ice-hockey. This is the first match of the German Hockey League--

--being played in the Stadium at Munich, or Munchen, where the lager comes from.

The goal-keeper is not in parade dress, apparently, or is--

--he ? Ice-hockey is the world's fastest game. Watch this--

--run up on the right wing, and it ends--

--in a goal, with the goal-keeper copying the heavyweight position
