

FUN ON THE ICE.

SPORT FOR OLD AND YOUNG.

---

Picture.:-

Ice-yacht racing - - a thrilling, fast, and exhilarating sport,--

--not often seen in England, except by way of--

--the screen as now. This race is--

--on the Neusiedlersee Lake, which a few years ago was in Hungary, but has since--

--moved over to Austria--

--by permission and persuasion of--

--the Treaty of Versailles etc. Still, the Lake--

--is just as nice--

--as it used to be, and the racing just as thrilling.

This particular race is just finishing.

The winning yacht passes the flag, and eases up for a - - well, whatever they favour in Hungary, er, Austria.

Here is a man who holds his own white sails, and gets motive--

--power at bargain price. And for another change, (we nearly always keep two of everything handy), new Idea No. Two - - lazy skating--

--by motor bike. The machine does all--

--the work. That's what you may do in Austria. In Britain, well an umbrella and a--

--pair of waders are most useful.
