KING AND QUEEN OF DENMARK

ARRIVE FOR THE WEDDING.

---

Picture.

This is the new Danish--

--motor-ship "Jutlandia" at Tilbury--

--Docks. The passengers she is carrying are the first she has ever carried, and the occasion is a <sup>big</sup>~~big~~

--proud one. For she brings Their Majesties the King and Queen of Denmark and Prince Waldemar, three of the many Royal Visitors who have come to attend the wedding of Princess Marina and the Duke of Kent. Their Majesties are received by the Dock Superintendent and the Dock Master, and welcomed by a large crowd. Several members of the Danish Legation were--

--present, and the Danish King and Queen proceeded to their train which left immediately for London.
