

ETON WALL GAME.

Picture:-

The Eton Wall Game. A very exclusive game for an equally exclusive college. The sides advance to the--

--Wall, watched by eager supporters of either oppidans, or--

--collegers. Oppidans being students who live outside the College itself. The score is counted in goals,--

--or shies. A shot just shy of the goal. But as no goals -

--have been scored for thirty years, we will forget those.

A shy was scored six years ago, and since then everybody has--

--been hoping that--

--it might possibly occur/in a --
again

--few years, perhaps. There's the ball, to prove it's--

--a ball game, as well as a--

--Wall Game. Similar matches have been played every year since 1841--

--as part of the St. Andrew's Day--

--Eton program. This year sees great happenings. During a very exciting--

--match for those who know what it's all about, J&C.--

--Waterlow scores a shy. And we're so glad you're glad.
