SMITHFIELD SHOW.

Picture.:- Smithfield Club's Christmas Show is 135-years-old to-day, and iz--

--the most popular cattle show held. Of the Highland--
--cattle, the judges give first-prize and cup to the King's--
--steer. His Majesty also won--
--a first prize and a third prize for--
--Hereford steers. Follow one's nose--
--and it's easy to discover the breakfast bacon, and
observe--
--the married bliss of Mr. and Mrs--
--Porker, and the contemptuous skiff of the jealous
swine.
