(3).

Picture.)

--the Duchess of York opens an Indian Modern Art Exhibition at the New Burlington Galleries. Indian art is making--

--great progress. Although not--

--yet so--

--advanced as, say the Chelsea School of Modernists. The Indian name of Minnetonka--

Y--

(4).

--sounds like a fextret, but it's also the--

--name of a--

--ship. Crowds watched her when she arrived in the Firth of--

--of Forth steering towards--

--this guide, and then piling herself on the rocks.

Twenty-two thousand tons of ship bought--

--fer scrap. It's her last voyage, She nearly broke her owners, and--

--now she's going broke herself in the breaker's hands.
