BALLOON BALLET.

IN AID OF POOR ARTISTES.

---

Picture. :-

Just a glimpse at a spectacular ballet given at the famous Comedie Francaise, Paris. The balloon ballet ! The item is part of a performance given by a collection of the most popular stage artistes in France. The profits go to a Home for Poor Artistes at the Pont Aux Dames. These dancers are the celebrated ballet troop from the Opera. There's a huge audience, although you can't see them. At the end of the show is a spirited all-in wrestling match among the young blades of Paris, sitting in front to secure favours from the ladies of the ballet. It's after that the balloon will really go up. I mean to say - -
