Picture:- At Slough, England, an important cattle--

--event is the sale of 142 fat steek--
--from the royal farms by the--
--Slough Christmas Cattle Show. It is a new experience
for the calves, and--
--the sheep think they will be glad when it's over,-
--or doesn't a sheel think ? The best shew-
--bullock is an Aberdonian Angus, belonging to Mr.
Vitch--
--of Slow. A head of the best.
